

Predesigns Clothing – Expanded AI Prompt Collection

This document contains all refined and expanded AI prompts for Predesigns Clothing, suitable for use in image and video generation with tools like PixVerse, Leonardo AI, Fauxto Labs, and Famous.ai.

1■■■ Urban Royalty (Luxury x Confidence)

A confident male model standing on a rooftop overlooking city lights at night, wearing a luxury streetwear outfit from Predesigns Clothing, inspired by urban royalty, with gold and black accents, cinematic lighting, and soft depth of field, fashion editorial photography, Vogue-style composition

2■■■ Kasi Luxe (South African Street Elegance)

A stylish South African model walking through a township street with murals behind, wearing a Predesigns Clothing outfit that mixes streetwear with luxury, natural sunlight, soft tones, captured with a 35mm lens, luxury fashion editorial aesthetic

3■■■ Concrete Jungle (Minimal City Aesthetic)

A model wearing a minimal yet bold streetwear set from Predesigns Clothing, posing near grey concrete architecture with reflections, moody daylight, urban magazine-style editorial, soft matte finish

4■■■ After Dark (Neon Glow Edition)

A male model leaning on a luxury car at night in the city, wearing an exclusive Predesigns Clothing hoodie and joggers, neon lighting in blue and purple, cinematic photo, bokeh background, ultra-realistic editorial look

5■■■ Monochrome Power (Black & White Elegance)

A close-up black and white portrait of a model wearing Predesigns Clothing streetwear, minimalist studio background, strong shadows, luxury aesthetic, fashion editorial lighting and texture detail

6■■■ City Crown

A confident South African male model wearing a luxury streetwear set from Predesigns Clothing, reference image shows the outfit, keep texture and logo accurate, standing on a rooftop overlooking Johannesburg skyline, nighttime city lights, moody cinematic lighting, styled like a GQ fashion editorial, rich black and gold tones, luxury meets street power aesthetic

7■■■ Street Elegance

A bold female model walking across a modern urban bridge wearing a luxury Predesigns Clothing outfit,
inspired by city elegance with streetwear energy,
soft golden hour lighting, luxury street photography,
subtle motion blur, fashion magazine vibe,
keep clothing colors and textures realistic, classy and confident look

8■■■ Urban Silence

A stylish male model leaning against a grey concrete wall,
wearing a minimalist streetwear tracksuit from Predesigns Clothing,
urban city background, overcast sky, cinematic depth of field,
editorial photography aesthetic, muted colors with matte tone,
keep fabric details from reference image accurate

9■■■ Steel & Satin

A confident female model posing beside a metal staircase in an inner-city setting,
wearing a luxury Predesigns Clothing crop jacket and pants,
industrial textures, urban backdrop, soft daylight with cool tones,
modern street-luxury blend, high-end editorial photography

■ Neon Empire

A male model wearing a Predesigns Clothing streetwear outfit,
posing under neon pink and blue streetlights at night,
wet street reflections, cinematic fashion shoot,
urban energy meets luxury tone, realistic lighting and fabric texture

■ KASI LUXE PROMPTS (Male & Female)

Kasi Queen, Kasi Royalty, Golden Kasi Glow, Luxury on the Block, Soweto Chic
Each scene reflects South African township culture meeting luxury aesthetics.

■ BONUS BLEND PROMPTS (Urban x Kasi Luxe Fusion)

Golden Blocks and City Meets Kasi – showcasing fusion concepts of luxury, culture, and realism.

3■■■ Lookbook-Ready White Background Prompts

*■ Casual Urban Streetwear

*■ Ghost Mannequin Luxury Shot

*■ Studio Flat Lay

Perfect for product catalogs, online stores, or heat transfer mockups.
